

# YACHT ECLIPSE LAUNCHED TO-DAY.

L. J. Callahan's New Schooner  
Goes Over at Lawley's  
South Boston Yard.

L. J. Callahan is at Gloucester to-day with a party of friends from this city to attend the launching of his new schooner yacht Eclipse, which is expected to take a prominent part in the races about New York this season.

The Eclipse was designed by Mo-Manus, who has set up a number of fast boats for fishermen, although she differs somewhat in design from the latter being built with a view to yacht racing. She is 35 feet over all; 12 feet water line, 20 feet beam and 12 feet draught. She will be eligible to the 55-foot class.

Her mainmast is 60 feet, foremast 55 feet 6 inches, mainmast 55 feet, and foremast 20 9 inches. The bowsprit is 25 feet outboard and mainboom 26 feet 10 inches. With a mainmast of 32 feet 7 1/2 inches and foreboom and outboard 25 feet 9 inches the vessel's spread should be sufficient to drive the boat with a speed likely to win in her class.
